**FRAUSCHER 606 RIVIERA** – DYNAMISM, DELIGHT, ELEGANCE

*Frauscher 606*

> Elegance of form, smartness of detail, the smoothest glide or the most spirited agility: the 606 Riviera is a true Frauscher.

Quality pure without an inch of compromise. From technical perfection that is a joy to experience down to the superbly spacious sundeck: nothing is lacking for those hours of sheer delight on the water.

> MOMENTS OF PURE EXPECTATION

**MOTORYACHT 606 RIVIERA**

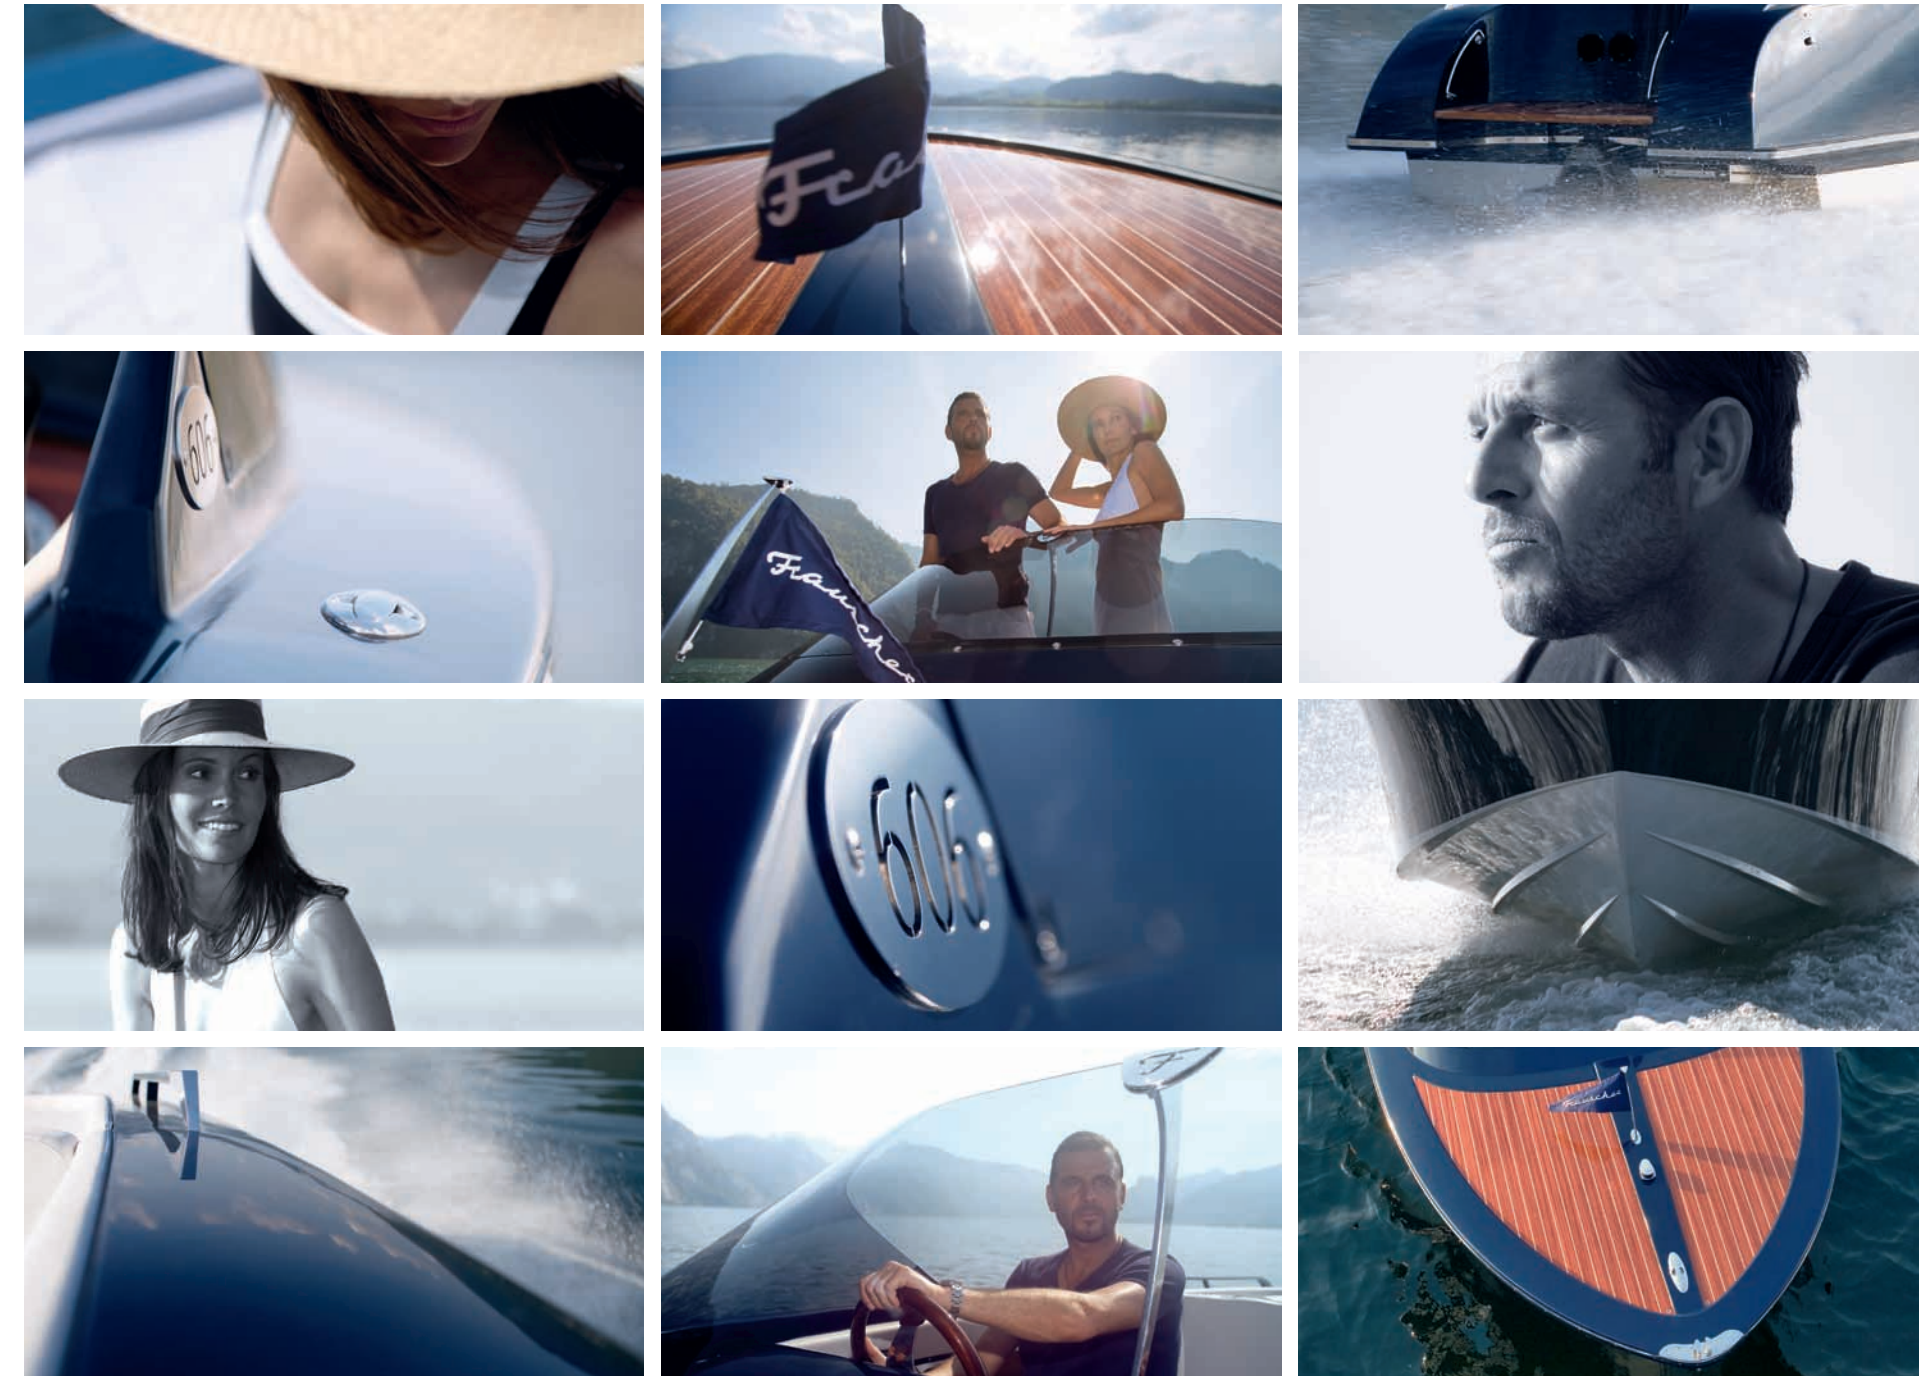

LENGTH: 606 cm  
WIDTH: 220 cm  
DRAUGHT: 65/100 cm  
WEIGHT: from 1.400 kg

The illustrations show both standard and customized fittings. The right to introduce changes and technical developments is reserved.

The boat hull is crafted in a hands-on process from glass fibre reinforced polyester.

We exclusively use weather and saltwater resistant isophthalic acid resin.

FRAUSCHER 606 RIVIERA: IMPECCABLE PLEASURE >

> The Frauscher 606 Riviera, a runabout offering the spice of breathtaking performance plus the security of inner peace. This is where stylish design and sheer delight behind the wheel join forces.

The finest things in life.

#### EXPERIENCE & TRADITION IN BOATBUILDING

The Frauscher 606 Riviera is the result of the experience and tradition of 3 generations of the boat building Frauscher family: Quality consciousness, an artist's craftsmanship, the finest materials and first class workmanship.
