Base price, without engine

**48.900,00**

#### Boat construction

<b>Bulge and side walls</b>	SERIES	12 mm, 7-times bonded marine plywood "Supra Hecht" mahogany, rotary-cut, grade A/A quality, Lloyds certified, framing and strengthening from local Acacia wood. Gunwale, longitudinal stringers, strip planking, outer keel and scantling for the interior finishing in Sipo mahogany, dried for several years. Deck moulding and framing beams from local fir, dried for several years.	
<b>Interior finishing, bulkhead walls and foredeck</b>	SERIES	10 mm, 7-times bonded marine plywood "Supra Hecht" mahogany, rotary-cut, grade A/B quality, Lloyds certified. Foredeck in same construction, but with one-sided teak veneer and rubber joints. Aft and fore transoms in mahogany, massive bonding with rabbets. 4 benches, integrated longitudinally with storage area and foldable seats. Bulk head and tank space in the stern. Counter floors in natural teak.	
<b>Insulations and paint coats</b>	SERIES	Entire interior and exterior finish in SP epoxy paint, double-insulating (primed). Gunwale, strip planking, transom, interior finishing, bench covers in four-coat paint with polyurethane varnish. Exterior shell painted in white, light-grey, or blue.	
<b>Fittings, bondings and connections</b>	SERIES	Sheer rail and baseboards in aluminium half-round profile 20x8mm. All fittings in V4A high-grade steel and brass, chromium-plated. All bondings in SP epoxy resin, all screw connections with V2A high-grade steel screws.	
<b>Electrical system</b>	SERIES	12 V electrical system with 1 battery 65Amp/h, 1 main switch with quadruple fuse panel, navigation lamps, 12V combination socket.	
<b>Accessories</b>		Outboard engine YAMAHA 30 kW(40PS) with electrical starter and trim.	12.225,00
