

## Pegiva Eclipse 33

At 10,10 metres in length and with its large ergonomically designed cockpit the Eclipse can comfortably accommodate up to ten people. Perfect for cruising the lakes or enjoying a day trip as a tender from your superyacht. Every Eclipse can be as unique and individual as her owner.

The metallic paint can be any colour. Upholstery can be the owner's choice also from a range of 25 colours. Different from the Pegiva Retro Sun the forward cabin having double bunk and head (toilet) complete with basin and hot water. The cockpit upright fridge, sink unit and table give you all modern conveniences.

The Eclipse 33 is adorned with your choice of the finest quality Brazilian Mahogany or teak inserts and encapsulated in multiple layers of polyurethane to ensure a flawless yet durable finish.

Whilst the styling of the Eclipse may be reminiscent of the romance of a bygone era, the beauty of the Eclipse is more than just skin deep. The latest in technology.
